a. the amounts, dates, and form of payment of all dividends or distributions (including regular dividends but excluding distributions of the insurers own securities) paid within the period of 12 consecutive months ending on the date fixed for payment of the proposed dividend for which approval is sought and commencing on the day after the same day of the same month in the last preceding year;

b. surplus as regards policyholders (total capital and surplus) as of the thirty-first day of December next preceding;

c. if the insurer is a life insurer, the net gain from operations for the 12-month period ending the thirty-first day of December next preceding;

d. if the insurer is not a life insurer, the net income less realized capitalized gains for the 12-month period ending the thirty-first day of December next preceding and the two preceding 12-month periods; and

e. if the insurer is not a life insurer, the dividends paid to stockholders, excluding distributions of the insurers own securities in the preceding two calendar years;

5. a balance sheet and statement of income for the period intervening from the last annual statement filed with the commissioner and the end of the month preceding the month in which the request for dividend approval is submitted; and

6. a brief statement as to the effect of the proposed dividend upon the insurers surplus and the reasonableness of surplus in relation to the insurer's outstanding liabilities and the adequacy of surplus relative to the insurer's financial needs.

§126. Enterprise Risk Report

A. The ultimate controlling person of an insurer required to file an enterprise risk report pursuant to R.S. 22:691.6(L)

HISTORICAL NOTE: Promulgated by the Department of Insurance, Office of the Commissioner, LR 41:1297 (July 2015).

§127. Adequacy of Surplus

A. The factors set forth in R.S. 22:691.7(D) are not intended to be an exhaustive list. In determining the adequacy and the reasonableness of an insurer's surplus, no single factor is necessarily controlling. The commissioner will instead consider the net effect of all of these factors plus other factors bearing on the financial condition of the insurer. In comparing the surplus maintained by other insurers, the commissioner will consider the extent to which each of these factors varies from company to company, and in determining the quality and liquidity of investments in subsidiaries, the commissioner will consider the individual subsidiary and may discount or disallow its valuation to the extent that the individual investments so warrant.

AUTHORITY NOTE: Promulgated in accordance with R.S. 22:691.1-691.27.

HISTORICAL NOTE: Promulgated by the Department of Insurance, Commissioner of Insurance, LR 18:274 (March 1992), amended LR 19:501 (April 1993), amended by the Office of the Commissioner, LR 41:1297 (July 2015).

§128. Group Capital Calculation

A. The lead state commissioner has the discretion to exempt the ultimate controlling person from filing the annual group capital calculation if the lead state commissioner makes a determination based upon that filing that the insurance holding company system meets all of the following criteria:

1. has annual direct written and unaffiliated assumed premium (including international direct and assumed premium), but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, of less than \$1,000,000,000;

2. has no insurers within its holding company structure that are domiciled outside of the United States or one of its territories;

3. has no banking, depository or other financial entity that is subject to an identified regulatory capital framework within its holding company structure;

4. the holding company system attests that there are no material changes in the transactions between insurers and non-insurers in the group that have occurred since the last filing of the annual group capital; and

5. the non-insurers within the holding company system do not pose a material financial risk to the insurer's ability to honor policyholder obligations.

B. Where an insurance holding company system has previously filed the annual group capital calculation at least once, the lead state commissioner has the discretion to

accept in lieu of the group capital calculation a limited group capital filing if:

1. the insurance holding company system has annual direct written and unaffiliated assumed premium (including international direct and assumed premium), but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, of less than \$1,000,000,000; and all of the following additional criteria are met:

a. has no insurers within its holding company structure that are domiciled outside of the United States or one of its territories;

b. does not include a banking, depository or other financial entity that is subject to an identified regulatory capital framework; and

c. the holding company system attests that there are no material changes in transactions between insurers and non-insurers in the group that have occurred since the last filing of the report to the lead state commissioner and the non-insurers within the holding company system do not pose a material financial risk to the insurers ability to honor policyholder obligations.

C. For an insurance holding company that has previously met an exemption with respect to the group capital calculation pursuant to Subsection A and B, the lead state commissioner may require at any time the ultimate controlling person to file an annual group capital calculation, completed in accordance with the NAIC Group Capital Calculation Instructions, if any of the following criteria are met:

1. any insurer within the insurance holding company system is in a Risk-Based Capital action level event as set forth in R.S. 22:611 et seq. and R.S. 22:631 et seq. or a similar standard for a non-U.S. insurer; or

2. any insurer within the insurance holding company system meets one or more of the standards of an insurer deemed to be in hazardous financial condition as defined in §1305 and §1307 of Regulation 43; or

3. any insurer within the insurance holding company system otherwise exhibits qualities of a troubled insurer as determined by the lead state commissioner based on unique circumstances including, but not limited to, the type and volume of business written, ownership and organizational structure, federal agency requests, and international supervisor requests.

D. A non-U.S. jurisdiction is considered to "recognize and accept" the group capital calculation if it satisfies the following criteria:

1. with respect to an insurance holding company system described in R.S. 22:691.6(M)(2)(d):

a. the non-U.S. jurisdiction recognizes the U.S. state regulatory approach to group supervision and group capital, by providing confirmation by a competent regulatory authority, in such jurisdiction, that insurers and insurance

groups whose lead state is accredited by the NAIC under the NAIC Accreditation Program shall be subject only to worldwide prudential insurance group supervision including worldwide group governance, solvency and capital, and reporting, as applicable, by the lead state and will not be subject to group supervision, including worldwide group governance, solvency and capital, and reporting, at the level of the worldwide parent undertaking of the insurance or reinsurance group by the non-U.S. jurisdiction; or

b. where no U.S. insurance groups operate in the non-U.S. jurisdiction, that non-U.S. jurisdiction indicates formally in writing to the lead state with a copy to the International Association of Insurance Supervisors that the group capital calculation is an acceptable international capital standard. This will serve as the documentation otherwise required in Subsection D.1.a.

2. the non-U.S. jurisdiction provides confirmation by a competent regulatory authority in such jurisdiction that information regarding insurers and their parent, subsidiary, or affiliated entities, if applicable, shall be provided to the lead state commissioner in accordance with a memorandum of understanding or similar document between the commissioner and such jurisdiction, including but not limited to the International Association of Insurance Supervisors Multilateral Memorandum of Understanding or other multilateral memoranda of understanding coordinated by the NAIC. The commissioner shall determine, in consultation with the NAIC Committee Process, if the requirements of the information sharing agreements are in force.

E. A list of non-U.S. jurisdictions that “recognize and accept” the group capital calculation will be published through the NAIC Committee Process:

1. a list of jurisdictions that “recognize and accept” the group capital calculation pursuant to R.S. 22:691.6(M)(2)(d), is published through the NAIC Committee Process to assist the lead state commissioner in determining which insurers shall file an annual group capital calculation. The list will clarify those situations in which a jurisdiction is exempted from filing under R.S. 22:691.6(M)(2)(d). To assist with a determination under R.S. 22:691.6(M)(3), the list will also identify whether a jurisdiction that is exempted under either R.S. 22:691.6(M)(2)(c) or (d) requires a group capital filing for any U.S. based insurance group’s operations in that non-U.S. jurisdiction.

2. for a non-U.S. jurisdiction where no U.S. insurance groups operate, the confirmation provided to meet the requirement of Subsection D.1.b will serve as support for recommendation to be published as a jurisdiction that “recognizes and accepts” the group capital calculation through the NAIC Committee Process.

3. if the lead state commissioner makes a determination pursuant to R.S. 22:691.6(M)(2)(d) that differs from the NAIC List, the lead state commissioner shall provide thoroughly documented justification to the NAIC and other states.

4. upon determination by the lead state commissioner that a non-U.S. jurisdiction no longer meets one or more of the requirements to “recognize and accept” the group capital calculation, the lead state commissioner may provide a recommendation to the NAIC that the non-U.S. jurisdiction be removed from the list of jurisdictions that “recognize and accepts” the group capital calculation.

AUTHORITY NOTE: Promulgated in accordance with R.S. 22:611 et seq., R.S. 22:631 et seq., and R.S. 22:691.1-691.27.

HISTORICAL NOTE: Promulgated by the Department of Insurance, Office of the Commissioner, LR 49:488 (March 2023).

A. An insurer required to give notice of a proposed transaction pursuant to R.S. 22:691.7 shall furnish the required information on form D, hereby made a part of this regulation.

B. Agreements for cost sharing services and management services shall at a minimum and as applicable:

1. identify the person providing services and the nature of such services;

2. set forth the methods to allocate costs;

3. require timely settlement, not less frequently than on a quarterly basis, and compliance with the requirements in the Accounting Practices and Procedures Manual;

7. specify that all records and data of the insurer are and remain the property of the insurer and;

a. are subject to control of the insurer;

b. are identifiable; and

c. are segregated from all other persons’ records and data or are readily capable of segregation at no additional cost to the insurer;

8. state that all funds and invested assets of the insurer are the exclusive property of the insurer, held for the benefit of the insurer and are subject to the control of the insurer;

9. include standards for termination of the agreement with and without cause;

10. include provisions for indemnification of the insurer in the event of gross negligence or willful misconduct on the part of the affiliate providing the services and for any actions by the affiliate that violate provisions of the agreement required in §129.B.11 through §129.B.15 of this regulation;

11. specify that, if the insurer is placed in supervision, seizure, conservatorship or receivership pursuant to R.S. 22:2001-2044 and R.S. 22:731-737:

a. all of the rights of the insurer under the agreement extend to the receiver or commissioner to the extent permitted by R.S. 22:691.7; and

b. all records and data of the insurer shall be identifiable and segregated from all other persons' records and data or readily capable of segregation at no additional cost to the receiver or the commissioner;

c. a complete set of records and data of the insurer will immediately be made available to the receiver or the commissioner, shall be made available in a usable format and shall be turned over to the receiver or commissioner immediately upon the receiver or the commissioner's request, and the cost to transfer data to the receiver or the commissioner shall be fair and reasonable; and

d. the affiliated person(s) will make available all employees essential to the operations of the insurer and the services associated therewith for the immediate continued performance of the essential services ordered or directed by the receiver or commissioner;

12. specify that the affiliate has no automatic right to terminate the agreement if the insurer is placed into supervision, seizure, conservatorship or receivership pursuant to R.S. 22:2001-2044 and R.S. 22:731-737;

13. specify that the affiliate will provide the essential services for a minimum period of time after termination of the agreement, if the insurer is placed into supervision, seizure, conservatorship or receivership pursuant to R.S. 22:2001-2044 and R.S. 22:731-737, as ordered or directed by the receiver or commissioner. Performance of the essential services will continue to be provided without regard to pre-receivership unpaid fees, so long as the affiliate continues to receive timely payment for post-receivership services rendered, and unless released by the receiver, commissioner or supervising court;

14. specify that the affiliate will continue to maintain any systems, programs, or other infrastructure notwithstanding supervision, a seizure, conservatorship or receivership pursuant to R.S. 22:2001-2044 and R.S. 22:731-737, and will make them available to the receiver or commissioner as ordered or directed by the receiver or commissioner for so long as the affiliate continues to receive timely payment for post-receivership services rendered, and unless released by the receiver, commissioner, or supervising court; and

15. specify that, in furtherance of the cooperation between the receiver and the affected guaranty association(s)

and subject to the receiver's authority over the insurer, if the insurer is placed into supervision, seizure, conservatorship or receivership pursuant to R.S. 22:2001-2044 and R.S. 22:731-737, and portions of the insurer's policies or contracts are eligible for coverage by one or more guaranty associations, the affiliate's commitments under §129.B.11 through §129.B.14 of this regulation will extend to such guaranty association(s).
